This includes but is not limited to conjunctivitis, cold sores, cold, flu, measles, mumps, chicken pox, shingles, open cuts/sores, ringworm/fungal infections (above the chest). - b. If you choose not to have a trial, whilst all care will be taken, I will not be held responsible or liable in any way, if you are dissatisfied with any aspect of my service on, or after your wedding day.
- c. At the trial you will be given instructions on what is required regarding makeup preparation during the weeks/months before and on the day.
- d. I will apply makeup in a way to ensure that it lasts as long as possible. I will do my best to educate you on how to maintain your makeup to make it last, but some factors (such as high humidity and oily skin) can cause makeup to become shiny and to shift. It is your responsibility to blot and powder throughout the day to ensure that your makeup stays on. I can guide you as to which powder will look best in your photographs.
